# Bosch eXchange Core return criteria

**Bosch provides you with eXchange products in the highest quality.** Therefore, the used parts must be in an appropriate condition for the remanufacturing process.

Thus, all cores are not permitted to have certain criteria, which are listed below.

- Further exchange conditions:**
- ▶ Product must be included in the valid Exchange Return List
  - ▶ Part number must be legible

- The way to make core parts dealing easy:**
- ▶ A few clear deposit values
  - ▶ Clear core return criteria

- ▶ Easy and secure return Back in Box
- ▶ Quick handling through close sales net

**BOSCH**  
Technik fürs Leben

## Reasons for rejection:

- ▶ **Heavy corrosion**
- ▶ **Assembly is incomplete**
- ▶ **Assembly is disassembled**
- ▶ **Mechanical damage**

## Back in Box

**1. The new product is delivered**  
You get your new eXchange product from Bosch.

**2. The replacement parts are exchanged**  
You exchange the core for the remanufactured part.

**3. Back in Box returns**  
You send the core back in its original Bosch packaging.

**4. You get your deposit (collateral value)**  
Bosch pays you the collateral value of the eXchange product.

## Clean and easy collection of old cores from workshops:

- ▶ No damaged units in transit hands, no rejection of credits
- ▶ Easier identification of the cores speeds up the return process
- ▶ Environmentally friendly
- ▶ No dirt due to used parts
